PERSONAL PROFILE

I'm a highly motivated and detail-oriented Information Technology student with a strong passion for IT infrastructure, cybersecurity, cloud computing and software systems possessing a solid foundation in computer networks, web designing, graphics designing and many more with hands-on experience in troubleshooting and IT support. Highly adaptable and eager to learn emerging technologies, with a keen interest in obtaining industry-recognized certifications such as CCNA, CompTIA Security+, CCNP, CCIE, CISSP and many more. A problem-solver with excellent analytical skills, committed to leveraging technology to improve efficiency and security in modern IT environments.

EDUCATION BACKGROUND

YEAR	INSTITUTION	AWARD
2023 TO DATE	KYAMBOGO UNIVERSITY	DEGREE
2019-2020	BULOBA ROYAL COLLEGE	ADVANCED LEVEL CERTIFICATE
2015-2018	LUBIRI SECONDARY SCHOOL	ORDINARY LEVEL CERTIFICATE
2007-2014	KASUBI FAMILY PRIMARY SCHOOL	PLE CERTIFICATE

WORKING EXPERIENCE

1.IT and Software Engineering Intern at Sumic IT Solutions Limited

Gained hands-on experience in designing, coding, testing, and debugging applications using languages such as JavaScript, React JavaScript, Node JavaScript and others. Assisted in building and implementing a system known as Client Nest using technologies like HTML, CSS, JavaScript, React JavaScript, Node JavaScript, Python, Django and others. Utilized Git and GitHub for source code management and team collaboration. Assisted in identifying, diagnosing, and resolving hardware and software issues. Worked in a collaborative agile environment, attending stand-ups and contributing to sprint goals. Enhanced written and verbal communication skills through reporting and team interaction.

2.Graphics Designer [Freelance/Self Employed (2024-Present)]

I have designed professional logos, posters and social media graphics for clients using Adobe Illustrator and Photoshop to create high quality visual content hence collaborating with clients to meet their branding needs.

3.Freelance Web Designer and Developer[Self-Employed(2024-Present)]

Designed and developed responsive and visually appealing websites for clients using HTML, CSS, JavaScript, and WordPress. I created custom website layouts, graphics and UI elements to enhance user experiences. Integrated and customized CMS platforms like WordPress to meet client needs. Provided website maintenance and troubleshooting services ensuring functionality and security. Worked with clients to understand their business needs, branding, and design preferences.

4.IT Trainee-In-House Training Program at Kyambogo University (June 2024-July 2024). I successfully completed an intensive IT training program, gaining hands-on experience in Networking basics, Computer Repair and Maintenance, Web development and Linux Administration.

Linux Administration: Learned basic Linux commands, file system navigation, user management and system administration tasks.

Web Development: Designed and developed simple web pages using HTML, CSS, and JavaScript applying fundamental front-end development skills.

Computer Repair and Maintenance: Diagnosed and fixed common hardware and software issues, including installing operating systems, troubleshooting errors, and assembling and disassembling computers.

Networking Basics: Gained practical knowledge in IP addressing, sub netting, configuring network devices (routers and switches), and troubleshooting network issues.

I worked collaboratively in a team-based learning environment enhancing problem-solving and communication skills. I also applied theoretical IT concepts in real-world practical scenarios, improving my technical expertise and confidence in IT support tasks.

IT CERTIFICATIONS

DATE OF ISSUE	INSTITUTION	CERTIFICATE/BA
September, 2024	Cisco Networking Academy	Introduction to Cyber Security
June 29, 2024	Cisco Networking Academy	Introduction to Data Science
June 18, 2024	Cisco Networking Academy	Computer Hardware Basics
June 14, 2024	Cisco Networking Academy	Networking Basics
August 10, 2023	God's Mercy Engineering and Computer Solution Center	Web Designing

TECH SKILLS

- Web Designing and Development
- Graphics Designing
- Networking Basics
- Linux System Administration basics
- Cyber Security awareness and best practices
- Microsoft Office Suite
- Troubleshooting Skills

OTHER SKILLS

- Good interpersonal skills
- Good communication skills
- Good listening skills
- Time management skills

LANGUAGE PROFICIENCY

LANGUAGE	WRITING	SPEAKING	READING
ENGLISH	VERY GOOD	FLUENT	VERY GOOD
